Jesse suggested that we look at making an office called (President Elect (Training), Current President, Outgoing President John Aaron suggested that we consider making an office called "immediate past president"

We would have to change the bylaws.

I will draft a proposed change to the by-laws.

## 146.610 MHz Repeater - County Involvement

Jesse listed these questions Deputy Fisher offered them.

- What is the general purpose?
  - If a radio can talk to Florida, why do we need the repeater?
- What is the total cost to fix it?
  - Are we sure about the issue?
- Who is going to fix it?

Ron asked if we can get an estimate.

Jesse asked if it is a free estimate.

## REPORT ON OCTOBER ACTIVITY

Participants able to program their own radios

Relay Locations

Message Handling

All were completed with some challenges

Strengths - Individuals were able to program their radio

If someone wasn't able to program their radio, there was another person to help.

Use of handhelds worked out well

Teams' General knowledge of area of operation - they were able to find their locations

Everyone was able to arrive safely

Locations seemed to be accessible even in bad weather.

Areas for Improvement:

Use of mobile radios can reduce number of locations

Educational course on land navigation- Suggested software OnX, GPS,, What3Words,  
Map Reading

Look into other portable hardware solutions (Alinco Crossband, Baofeng handheld)

MESSAGE HANDLING:

STRENGTHS:

Messages were successfully passed back and forth

AREAS OF IMPROVEMENT

Practice Net Operations/Message Handling

Trust Exercises

Education on equipment being used

## OVERALL SUMMARY

We were able to make communication back and forth successfully  
Messages were 100% successful from all locations  
Unit cohesion contributed to successful operation

## Areas for Improvement

### FOOD

Use mobile radio rather than handhelds

## NEXT STEPS

Class for Mobile Antennas  
Class on Message Handling  
More Simplex Testing exercises - Winter conditions

## NEW BUSINESS

### ROUND TABLE -

Jesse mentioned - Raytheon JPS ACU - 1000

Ron said - Frequencies should be in the state radio , a wire antenna was on the tower at the old sheriff's office on C Street.

John Aaron - Holiday Social - Second week in January, Friday Night - Possible locations  
- China Garden, Santa Fe, Hitching Post
